

# **Feasibility Study and Bioresource Management Plan**

Barsey-Singalila Site (Khangchendzonga Landscape, India)

(A participatory Approach: Case - Gorkhey and Ribdi-Bhareng villages, sharing Sikkim and Darjeeling parts)  
Khangchendzonga Landscape Conservation and Development Initiative-India

**G.B. Pant National Institute of Himalayan Environment and Sustainable Development**

(Formerly known as G.B. Pant Institute of Himalayan Environment and Development)

Sikkim Unit, Pangthang, Gangtok, Sikkim 737101, India

**In collaboration with**

The Mountain Institute-India,  
Gangtok, Sikkim 737 101, India

**2016**

**Lead Coordinator: KLCDI, India**

PP Dhyani, Director

GB Pant National Institute of Himalayan Environment & Sustainable Development (GBPNIHESD), Kosi-Katarmal, Almora, Uttarakhand, India

**Nodal Scientist: KLCDI, India**

HK Badola, Scientist F & Scientist in-charge

GB Pant National Institute of Himalayan Environment & Sustainable Development (GBPNIHESD), Sikkim Unit, Pangthang, Gangtok, India

**Nodal Persons: KLCDI, India**

CS Rao, IFS, CCF (Wildlife), Forest, Environment & Wildlife Management Department, Govt. of Sikkim

P T Bhutia, IFS, Add PCCF (Wildlife, North), Directorate of Forests, Govt. of West Bengal

**Facilitation at ICIMOD, Kathmandu, Nepal**

N Chettri, Programme Coordinator: KLCDI

**Facilitation at GBPNIHESD, Kosi, Almora, India**

RS Rawal, Scientist F

**Funding Agency**

International Centre for Integrated Mountain Development (ICIMOD), Nepal

**Cooperation**

Forest Environment & Wildlife Management Department (FEWMD), Government of Sikkim

Directorate of Forest (DoF), Government of West Bengal

---

**Research Teams**

**GB Pant National Institute of Himalayan Environment & Sustainable Development, Sikkim Unit, Pangthang-Gangtok**

HK Badola, KS Gaira, J Lepcha and Sheila Sinha

**The Mountain Institute (TMI)-India, Gangtok, India**

G Sharma

**Associated partner members in validation exercise**

Janita Gurung and Kamala Gurung: ICIMOD, Kathmandu, Nepal

**Prepared by**

HK Badola<sup>1</sup>, KS Gaira<sup>1</sup>, J Lepcha<sup>1</sup>, Sheila Sinha<sup>1</sup>, G Sharma<sup>2</sup> and PP Dhyani<sup>3</sup>

<sup>1</sup> GBPNIHESD, Sikkim Unit, Gangtok, <sup>2</sup> TMI, India, Gangtok, <sup>3</sup> GBPNIHESD, Kosi-Katarmal, Almora, Uttarakhand

## Acknowledgement

We are grateful to the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India (GoI) for the support and guidance and for entrusting the task to the institute as lead agency for implementing the Khangchendzonga Landscape Conservation and Development Initiative (KLCDI) programme in India.

We thank Dr David J. Molden, Director General, International Centre for Integrated Mountain Development (ICIMOD), Nepal for providing the financial support to execute KLCDI programme in India under an addendum to Letter of Agreement of preparatory phase. Our appreciation goes to Dr Eklabya Sharma (Director Programme Operations) at ICIMOD, Nepal, who has been very motivating and a guiding force behind the success of KLCDI programme in India. The role of Dr N. Chettri (programme coordinator KLCDI at ICIMOD) has been very supportive to the KLCDI programme in India throughout the course and we really thank him. We greatly appreciate the encouragement received from Shri BMS Rathore, Chief Policy Advisor, ICIMOD. We also, thank Dr K Gurung, Ms J Gurung and Mr K Aryal (ICIMOD), for their inputs during the PRA studies/validation in pilot sites are suitably acknowledged.

We highly appreciate the support and cooperation of the Forest, Environment and Wildlife Management Department (FEWMD), Government of Sikkim and Directorate of Forest (DoF), Government of West Bengal to KLCDI programme in India. We thank Dr Thomas Chandy, IFS (Principal Secretary cum PCCF), FEWMD, Government of Sikkim for his constant encouragement and support to KLCDI programme. The nodal persons for KLCDI India from both the state forest departments, Dr PT Bhutia (Add PCCF-Wildlife North, DoF, Government of West Bengal) and Shri CS Rao, IFS (CCF and Chief Wildlife Warden, FEWMD, Government of Sikkim) are thanked for their consistent support, cooperation and for providing useful inputs to the on-going programme.

We specially thank to all team members of The Mountain Institute- India, Gangtok for their cooperation and collaboration in KLCDI, India programme and particularly in jointly organizing the PRA and accomplishing the household survey in Barsey-Singalila site.

The facilitative role of Dr RS Rawal (a senior level scientist) at institute headquarters, KosiKatarmal in various matters supporting the successful campaign of KLCDI (India) is highly acknowledged and thanked. Supportive role of Mr Prem Chettri (former Jr Project Fellow) and G Tariyal (former researcher) at Sikkim unit during PRA exercises/vegetation study in the Barsey-Singalila Site of KL-India is greatly valued. We fully admire the secretarial assistance and data entry work and the team spirit of Ms Milan Kumari Rai (project staff KLCDI India) throughout the KLCDI programme in India.

We are highly grateful to communities of the Barsey-Singalila pilot site and other stakeholders for their active participation in PRA studies, household survey and consultation workshops under KLCDI-India; their useful inputs are immensely acknowledged.

Many persons/organizations have contributed directly or indirectly in generating information for this manual preparation, and they deserve due appreciation from the programme team.

## Table of contents

Items	Page no.
<b>Acknowledgement</b>	
<b>1. Background</b>	<b>01-03</b>
<b>2. Objectives</b>	<b>03</b>
<b>3. Study approach</b>	<b>04-10</b>
3.1 Site and pilot village identification	04
3.1.1 Barsey-Singalila site	04-05
3.1.2 Criteria for pilot village identification	05-06
3.1.3 Participatory Rural Appraisal (PRA)	06
3.1.4 Vegetation Assessment	07
3.1.5 Household survey	07-08
3.1.6 Process followed for preparing BMP	08-10
<b>4. Results from the field studies</b>	<b>11-34</b>
4.1 Livelihoods	11-12
4.1.1 Human assets	12-13
4.1.2 Natural assets	13
4.1.3 Physical assets	13-14
4.1.4 Social assets	14-15
4.1.5 Financial assets	15
4.2 Vulnerability context	15-16
4.3 Gender equality	17-20
4.4 Transforming structures and process	20
4.5 Livelihood strategies	21-22
4.6 Livelihood outcomes	22
4.7 Transboundary nature	22-23
4.8 Ecosystem and Biodiversity	23
4.8.1 Ecosystem and ecosystem services	23-27
Forest Ecosystem	26
Agriculture	27
Water bodies	27
Grassland	27

Scrubland	27
4.8.2 Biodiversity	27
Flora and Fauna	27-32
4.8.3 Key issues, Challenges and Opportunities	32-33
4.8.4 Key activities and findings	33-34
<b>5. Bioresource Management Plan (BMP)</b>	<b>34-51</b>
5.1 Process adopted	35
5.1.1 Pre PRA exercise	35
5.1.2 During PRA exercise	35-36
5.2 Key findings	36-38
5.2.1a Socio-economic and livelihood	38-39
5.2.2a Ecosystem and Natural Resource Management	39-40
5.2.1b Socio-economic and livelihood (Ribdi-Bhareng)	40
5.2.2b Ecosystem and Natural Resource Management (Ribdi-Bhareng)	40-41
5.3 Sharing and validation of field findings	41
5.3.1 Identification and validation of supporting and opposing forces	41-42
5.3.2 Interaction cum validation of Participatory Rural Appraisal (PRA) outcomes	42
5.3.3 Organized a National consultation of Stakeholders	42-43
5.3.4 Bioresource Management Plan (BMP) preparation	43-51
<b>6. Key recommendations</b>	<b>51-52</b>
6.1 Gorkhey village	51-52
6.2 Ribdi-Bhareng	52
<b>7. Conclusion</b>	<b>53-54</b>
<b>8. References</b>	<b>54</b>
Appendix 1	55
Appendix 2	56

## List of figures

1. Barsey-Singalila pilot site of KL-India sharing the boundary of Sikkim and Darjeeling and showing Gorkhey and Ribdi-Bhareng pilot villages
2. Approaches for developing Bioresource Management Plan (BMP) for Barsey-Singalila site
3. Eco-climatic zones of Barsey-Singalila site and vegetation pattern
4. Land use pattern of Barsey-Singalila site
5. Resource map of Gorkhey village, West Bengal
6. Resource map of Ribdi-Bhareng village, Sikkim

## List of photos

1. View of Khangchendzonga landscape from Phalut, West Bengal
2. Samanden village, West Bengal
3. Gorkhey village within the Singalila National Park at lower fringe and adjacent of Barsey Rhododendron Sanctuary
4. Ribdi-Bhareng GPU, adjacent of Barsey Rhododendron Sanctuary
5. Transboundary location of the Barsey-Singalila Site
6. Grazing at transboundary area of the Barsey-Singalila Site

## List of Tables

1. Profile of villages under pilot site Barsey-Singalila
2. Intra-household decision-making power in Gorkhey and Ribdi-Bhareng Village
3. Gender differentiated access and control over key livelihoods assets, Gorkhey and Ribdi-Bhareng
4. Dominant plant species distribution in different eco-climatic zones of Barsey-Singalila site
5. List of plant species observed in and around Ridi-Bhareng and Gorkhey village
6. List of common mammals in the Gorkhey and Ribdi-Bhareng villages
7. Butterflies species observed in Ribdi-Bhareng and Gorkhey village
8. Birds species observed in Ribdi-Bhareng and Gorkhey village
9. Supporting and opposing forces within community people Gorkhey, Darjeeling, West Bengal
10. Supporting and opposing forces within community people Ribdi-Bhareng, West Sikkim
11. Participatory based Bioresource Management Plan (BMP) for Gorkhey Forest Village, Darjeeling district, West Bengal

- 12.** Participatory based Bioresource Management Plan (BMP) for Ribdi-Bhareng, West Sikkim
